ACO ShowerDrain Plus

The ACO ShowerDrain Plus product range provides an economical way to mimic the high-end trend of designer shower drains. A stainless steel grate option of similar quality coupled with a cost-effective plastic body provides an affordable solution. All products are sealed in a package for care of installation.

ACO 4x4 ShowerPoint

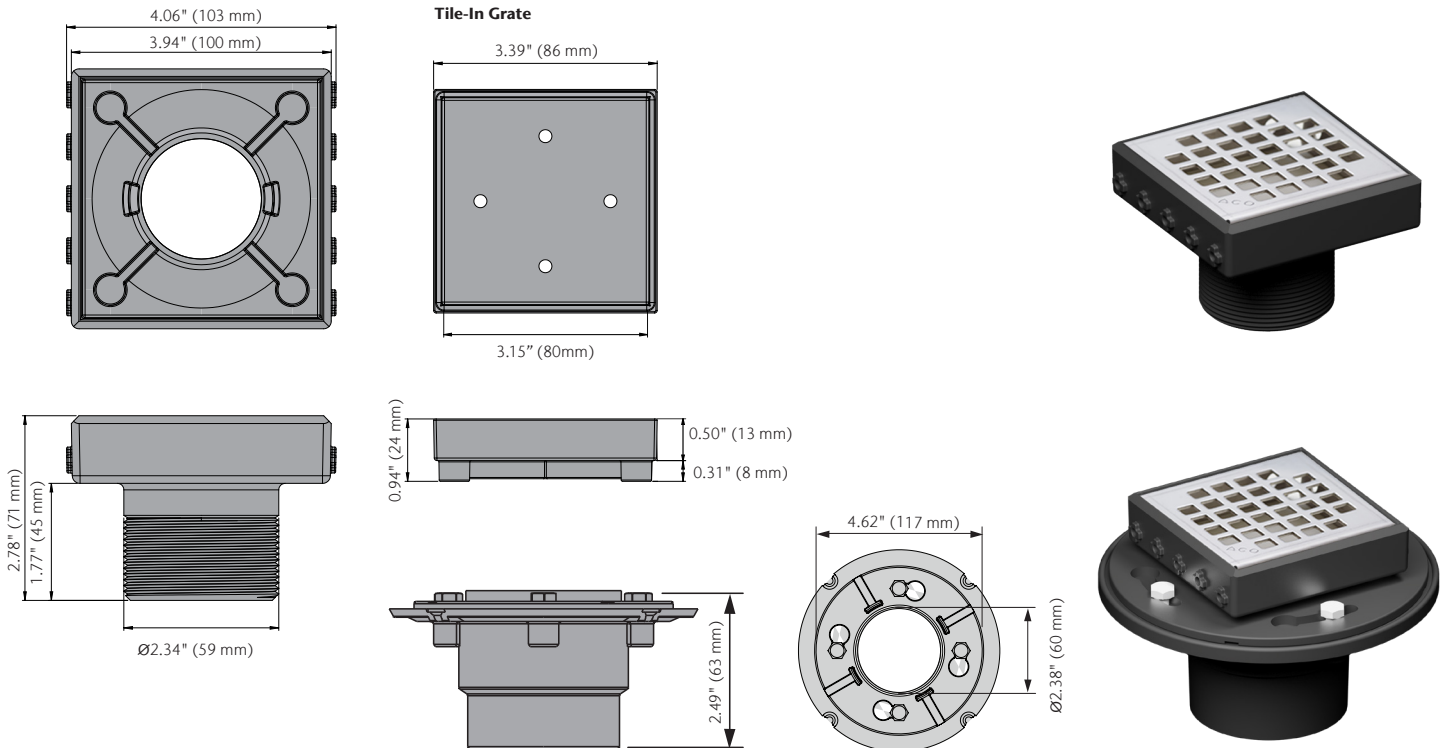

Well known for its high-quality shower drainage products the world over, ACO Plus point drains are designed with quality and care to help create beautiful and timeless projects. ACO Plus point drains offer a stylish, artistic solution to bathroom floor design. Choose from grates manufactured with grade 304 stainless steel in a choice of four finishes or an ABS tile infill grate designed to allow architects and designers to incorporate the bathroom tile into the drainage motif.
