

ACO. creating
the future of drainage

PORTFOLIO

Bel Air Auto Auction Riverside, MD

Bel Air Auto Auction currently manages the flow of more than 100,000 vehicles each year, handling consignments from new and used car dealers and private business fleets.

Project Design Brief

The problem was the building needed an indoor drainage solution for vehicle reconditioning and auction lane building.

Benefits

- KlassikDrain has a 0.5% slope inside the channel ensuring water flows to the outlets, ideal for flat pavement.
- Type 492Q grates are rated to withstand large volumes of heavy vehicles, and are ADA compliant.
