

ACO. creating
the future of drainage

PORTFOLIO

California State University Bulldog Stadium Fresno, CA

Bulldog Stadium at Jim Sweeney Field is an outdoor football stadium on the campus of California State University, Fresno in Fresno, California.

Project Design Brief

KlassikDrain K100 with Type 410Q galvanized perforated grates (1,220 ft) and catch basins were used for drainage.

Benefits

- ACO KlassikDrain K100 features a 4" (100 mm) internal width channel system with built-in 0.5% slope and developed V-shape profile for enhanced hydraulic performance.
- The 410Q perforated stainless steel grates with the QuickLok® locking system meet ADA-compliance and are heel resistant.
