

ACO. creating  
the future of drainage

## PORTFOLIO

### Dodger Stadium Los Angeles, CA

Dodger Stadium is a baseball park located in the Elysian Park neighborhood of Los Angeles. It is the home stadium of the Major League Baseball's Los Angeles Dodgers. Opened in 1962, it is the third oldest MLB ballpark.

#### Project Design Brief

KlassikDrain KS100 with perforated stainless steel ADA compliant, type 451D grates were installed. These trenches and grates are used on the field's perimeter which frequents foot and small vehicle traffic.

#### Benefits

- KlassikDrain KS100 with type 447D grates are EN 1433 rated to 3,372lbs while still being ADA compliant.
- DrainLok, ACO's patented boltless, locking system provides quick fitting and removal of grates. Helping reduce installation/maintenance time and cost.
