the future of drainage

PORTFOLIO

Penske Truck Leasing Sterling, VA

Small businesses with one or two trucks up to large multinationals with fleets of hundreds have come to rely on Penske's tailored service and expertise to manage their unique trucking needs since 1969. Penske operates more than 316,000 vehicles and serves customers from more than 1,100 locations.

Project Design Brief

ACO KlassikDrain was placed in the center of the service area to serve as a drainage solution for cleaning the floor. Any rainwater/snow that reaches the service floor will migrate to the trench drains, keeping the area safe and clean.

Benefits

- ACO KlassikDrain meets all load standards necessary for the service area.
- Grates can be removed to provide easy access to the channels for inspection and maintenance.
