

ACO DRAIN

**MIT Media Lab
Cambridge, MA**

PROJECT PORTFOLIO

Product:
Contractor:

Brickslot Galvanized, KlassikDrain K100S
Bond Brothers, Everett, MA

The MIT Media Lab actively promotes a unique antidisiplinary culture that goes beyond known boundaries and disciplines, encouraging the most unconventional mixing and matching of research areas.

The Brickslot Galvanized, KlassikDrain K100S (243 ft) were used to help with drainage.
